

Training Opportunity

Building Warrior Women 5-Day Training Event

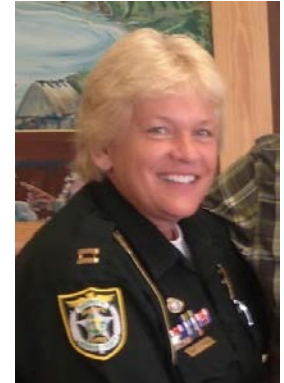

Host Agency: The Springfield Police Department Training Unit
2620 W. Battlefield Rd. Springfield, MO 65807

Dates: November 12-16, 2018

Event Description:

Building Warrior Women: "Philosophical, not occupational." This is a one of a kind training event designed for *women in all facets of the public safety profession* who are interested in taking their professional, tactical and physical skills to the next level. This course is facilitated by LouKa Tactical trainers, the nation's most experienced law enforcement instructors who specialize in training female officers in the "hard to kill skills." LouKa co-owner Lou Ann Hamblin has trained nearly 4000 law enforcement women in pistol alone. LouKa's training has recently been featured on PoliceOne.com and Officer.com e-publications.

Day 1: Attendees will be inspired Special Ops Commander Captain Penny Phelps from the Monroe County Sheriff's Office, Key West FL. In her hands-on approach PhD. Phelps will address *mastering leadership regardless of rank*, mentoring and how developing power bases work in a professional environment.

Day 2: Functional areas include *Self Help/Buddy Care and Rescue Techniques*, tourniquet application, scenarios and case study review.

Days 3-4: Participants will experience a full range day of dynamic *Survival Pistol Techniques*. 400 rounds of ammo.
Cost: 499.00 for 4 days.

Equipment for days 2-5: Functional clothing, department issued or training tourniquets, duty belts/gear, body armor, wrap around eye protection and ear protection for range days.

Day 5: (Optional) *Patrol Rifle #101: Introduction to Patrol rifle with 300 rounds of ammunition. Body armor, wrap around eye and ear protection. Cost: \$599.00 for all 5 days.*
