**Event Description:** Building Warrior Women Pistol II is a customized training event designed by women, for women and is a more comprehensive class than BWW-CPT I. Participants assisted in building their own learning experience as a part of the instructional design strategy. The following training areas will be explored:

- **Advanced Marksmanship:** Balancing speed and accuracy, shooting at greater distances, shooting moving targets.
- **Shooting and Moving:** This block focuses on functional, tactical movement using skill-building drills to set the foundation. Shooting on the move both one handed and two handed, shooting multiple targets are a few of the areas to be addressed.
- **Situational and Scenario Based Training:** Case studies will be expounded upon in the afternoon. Identified areas of concern have included “transitional zones,” dealing with thresholds, managing family members, etc. Studying these areas, and more, will provide strategies for safer work, play, sleep environments.
