Train with the Nation's most experienced female law enforcement firearms instructors who share advanced skills and tactical knowledge in the best training environment imaginable. Building Warriors; one woman at a time.

The purpose of this workshop is to improve shooting performance through minimal classroom and maximum range time. This class will focus on skill-building drills as it relates to developing the fundamentals of handgun management and marksmanship. Individual assessments will take place as well as homework assigned for continued improvement. This is a low round count with each round fired as a sniper shot. This is a customized course built specifically for AGAG members but available to all.
