## Civilian Side of the House

Gearing up for the 2010 Police Unity Tour-Washington, D.C.

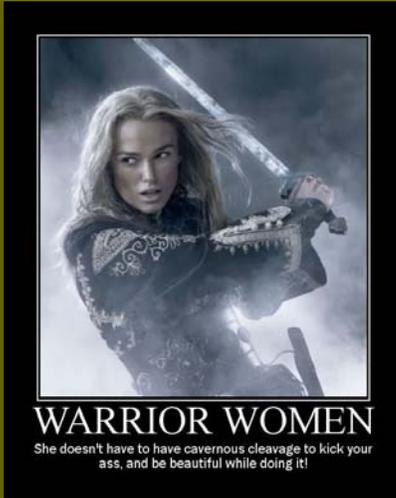

The Unity Tour is an annual event where officers from across the United States ride over 300 miles to honor those officers who have given their lives to protect others. Kathy, who works for the Ann Arbor Police Department, is dedicating the Unity Tour ride to her uncle, Grand Rapids Police Officer Wayne Vonk who was shot and killed in the line of duty in 1969 while arresting two men who had just committed an armed robbery in Michigan. "I am very fortunate and quite honored to be allowed to ride with the Grand Rapids P.D. Unity Tour Team" says Kathy.
