Tactical Pistol: Responding to the Active Killer

This 2-day class is designed for officers and armed professionals who may not have immediate access to a long gun while responding to an active killer situation. For situations that require precision at greater distances and crowded environments, engaging targets while moving as a sole respondent and with a partner. The class is applicable to school resource officers, detectives/plain clothes, probation and parole, armed security, and off-duty police officers. Case studies will be reviewed and converted into range exercises.

Location: 1260 Archer Court, Granbury, TX 76048 (Private Facility)

Register by going to: www.loukatactical.com *Space is limited to 24 participants

When: April 11-12, 2024

Time: 0800-1700 **Fee:** \$575.00 **Range fee:** \$25.00

Training goals:

- Improve an individual's handgun skills with a challenging and safe training environment which allows them to explore their current abilities and to provide opportunities to improve their shooting discipline and operational performance in chaotic environments.
- Reduce liability in deadly force situations through challenging live fire training exercises relative to environments such as a school, church, courtroom, parking lot, mall, etc.

Participant requirements:

- Duty gear including 3 magazines-minimum
- 700-800 rounds of pistol ammunition-minimum
- Off-duty or back-up handgun and 50 rounds if different than duty
- Brimmed hat, ear protection, and wrap around shatter resistant eye protection

This course, and variations of this course, have been delivered nationally since 2005.
