Event Description: This is a beginner to intermediate course. This 8-hour class is designed to assist in the overall rifle handling and shooting performance of the operator. Through maximum range work the rifle operator will increase her ability to deliver her rifle efficiently and effectively particularly in the following areas:

- Rifle nomenclature
- Understanding trajectory
- Sight over bore relationship
- Loading, unloading and reloading
- Manipulation
- Marksmanship skills
- Sling work
- Various shooting positions

Participant requirements:

- Rifle with sling
- Minimum of three magazines and storage pouch
- 200 rounds of rifle ammunition-3 magazines
- Brimmed hat, ear protection, and wrap around shatter resistant eye protection
- Hydration system and simple form of carbohydrate
- Proper dress for weather conditions
- Quality knee and elbow pads

About LouKa Tactical: In business since 1999 it is the largest female owned and operated company of its kind. Co-owner Lou Ann Hamblin retired from law enforcement having served for 22 years. She specializes in training female officers and is a certified firearms and defensive tactics instructor in a variety of disciplines and has trained over 6500 women in pistol classes

internationally to include the Kuwaiti female special forces. She is a Team One Network adjunct instructor and Master Pistol Instructor (MPI) and MPI instructor-trainer. She instructs internationally in the areas of instructor development, training for specialty units and female officer survival to include presentations at the following conferences: A Girl and A Gun, International Law Enforcement Educators and Trainers Association (ILEETA), International Police Mountain Bike Association (IPMBA), and the International Association of Law Enforcement Firearms Instructors (IALEFI). Lou Ann also serves on the Executive Board of Directors for IALEFI and is an ILEETA Advisory Board Member. In 2025 Lou Ann received the ILEETA "Legacy Award" for training excellence spanning over 30 years. Lou Ann holds a master's degree in human performance technology and instructional systems design from the University of Michigan. In 2015 Lou Ann received Alumnus of the Year for her contributions in public safety training.
